

Mogelijke masterkeuzes na Future Planet Studies

Aansluitend op Future Earth

Biological Sciences (3 tracks) - <i>Ecology & Evolution</i> - <i>Freshwater & Marine Biology</i> - <i>Green Life Science</i>	UvA
Computational Science	UvA / VU
Earth Sciences (3 tracks) - <i>Environmental Management</i> - <i>Future Planet Ecosystem Science</i> - <i>Geo-ecological Dynamics</i>	UvA
Forensic Science	UvA
Aquaculture and Marine Resource Management	WUR
Bio Inspired Innovation	UU
Civil Engineering: Water Management	WUR
Development and Rural Innovation	WUR
Earth surface and Water	UU
Earth, Life and Climate (4 tracks) - <i>Integrated Stratigraphy & Sedimentary Systems</i> - <i>Climate Reconstruction</i> - <i>Biogeosciences & Evolution</i> - <i>Biogeochemistry</i>	UU
Energy and Environmental Sciences	RUG
Environmental Biology (4 tracks) - <i>Plant Biology</i> - <i>Fungal Biology</i> - <i>Ecology and Natural Resource Management</i> - <i>Behavioural Ecology</i>	UU
Forest and Nature Conservation	WUR
Geographical Information Management and Applications	UU
Geomatics	TU Delft
Geoscience and Remote Sensing	TU Delft
Hydrology	VU
Organic Agriculture: Agroecology	WUR
Sustainable Development: Environmental Change and Ecosystems	UU

Mogelijk voor beiden	
Information Studies	UvA
Journalistiek	UvA
Earth Sciences	VU
Environment and Resource Management	VU
Environmental & Energy Management	UT
Environmental Sciences (4 tracks) - <i>Environmental Quality</i> - <i>Environmental Policy and Economics</i> - <i>Environmental Technology</i> - <i>Human-Environmental Systems</i>	WUR
Governance of Sustainability	Universiteit Leiden
History and Philosophy of Science	UU
Industrial Ecology	TU Delft
Industrial Ecology	Universiteit Leiden
Innovation Sciences	TU Eindhoven
Landschapsgeschiedenis	RUG
Metropolitan Analysis, Design and Engineering	WUR
Organic Agriculture, double degree Agroecology	WUR
Sustainable Business and Innovation	UU
Sustainable Development: Energy and Materials	UU

Aansluitend op Future Society

Conflict Resolution and Governance	UvA
Contemporary Asian Studies	UvA
Human Geography (4 tracks) - <i>Environmental Geography</i> - <i>Political Geography</i> - <i>Urban Geography</i> - <i>Economic Geography</i>	UvA
International Development Studies	UvA
Medical Anthropology and Sociology	UvA
Political Science (6 tracks) - <i>Public Policy and Governance</i> - <i>Comparative Politics</i> - <i>Political Theory</i> - <i>European Politics and External Relations</i> - <i>International Relations</i> - <i>Political Economy</i>	UvA
Social Sciences (Research master)	UvA
Urban and Regional Planning	UvA
Urban Studies (Research master)	UvA
Bestuur en Beleid	UU
Conflict Studies and Human Rights	UU
Environment and Resource Management	VU
Environment and Society Studies	RU
Environmental and Infrastructure Planning	RUG
Environmental Sciences	WUR
Geographical Information Managment and Applications	UU
Governance en Management van Complexe Systemen	EUR
Human Geography (3 tracks) - <i>Economic Geography</i> - <i>Globalisation, Migration and Development</i> - <i>Urban and Cultural Geography</i>	RU
International Development Studies	WUR
International Land and Water Management	WUR
Organic Agriculture: Sustainable Food Systems	WUR
Philosophy, Politics and Economics	RUG
Political Science (3 tracks) - <i>Global Environmental Governance, Sustainability and Climate Change</i> - <i>International Relations, Security and Global Order</i> - <i>Democracy, Power and Inequality</i>	VU
Science, Business and Innovation	VU
Social Psychology (Research master)	VU
Spatial, Transport & Environmental Economics	VU
Sustainability Science, Policy and Society	UM
Sustainable Development (2 tracks) - <i>Earth System Governance</i> - <i>International Development</i>	UU
Urban Environmental Management	WUR

EUR Erasmus Universiteit Rotterdam	UU Universiteit Utrecht
RU Radboud Universiteit	VU Vrije Universiteit Amsterdam
RUG Rijksuniversiteit Groningen	WUR Wageningen University & Research
UM Universiteit Maastricht	

Deze masters zijn de afgelopen jaren gekozen door onze alumni. De lijst is bedoeld ter inspiratie en is niet uitputtend.

LET OP: Voor veel van de genoemde masters zal je vóór toelating nog extra vakken moeten volgen. De keuzeruimte in het derde jaar kan je daar speciaal voor inzetten. Lees [hier](#) meer over de keuzeruimte en kijk goed op de website van de betreffende master naar de ingangseisen!
